Instructions to Authors

The Irish Mathematical Society seeks articles of mathematical interest for inclusion in the *Newsletter*. All parts of mathematics are welcome, pure and applied, old and new.

In order to facilitate the editorial staff in the compilation of the *Newsletter*, authors are requested to comply with the following instructions when preparing their manuscripts.

1. Manuscripts should be typed on A4 paper and double-spaced.
2. Pages of the manuscripts should be numbered.
3. Commencement of paragraphs should be clearly indicated, preferably by indenting the first line.
4. Words or phrases to be printed in capitals should be doubly underlined, e.g.
Print these words in capitals → Print THESE WORDS in capitals.
5. Words or phrases to be italicized should be singly underlined, e.g.
Print these words in italics → Print *these words* in italics.
6. Words or phrases to be scripted should be indicated by a wavy underline, e.g.
Print these words in script → Print *these words* in script.
7. Diagrams should be prepared on separate sheets of paper (A4 size) in black ink. Two copies of all diagrams should be submitted: the original without lettering, and a copy with lettering added.
8. Authors should send two copies of their manuscript and keep a third copy as protection against possible loss.

If the above instructions are not adhered to, correct reproduction of a manuscript cannot be guaranteed.

Correspondence relating to the *Newsletter* should be addressed to:
